

#GemeinsamSicherDrehen

Staying healthy is our first priority!

Feeling unwell? Stay home!

Keep your distance!

Wear your mask!

Remember, your mask is not a replacement for physical distancing!

Wash or disinfect your hands regularly!

Personal hygiene is a top priority!

Sneeze or cough into your elbow!

Smile with your eyes!

Stay friendly while maintaining distance!

Avoid clustering!

Only join groups when your presence is truly required!

Standby time is outdoor time!

Keep the room well-ventilated!

Work at a distance whenever possible!

Seating for physical distancing!

Don't share tools!

Personalize tools and resources as much as possible to individuals!

Disinfect before sharing!

Use disinfectant to clean tools, props, etc., BEFORE handing them to another person!

Disinfect surfaces!

Regularly clean or disinfect common work surfaces and contact points!

Use professional cleaners!

Work spaces and sanitary facilities must be cleaned regularly by professional crews!

Avoid contamination from open food!

Ensure your PPE is disposed correctly!
