

#GemeinsamSicherDrehen

Staying healthy is our first priority!

Feeling unwell? Stay home!

Keep your distance!

Wash or disinfect your hands regularly!

Personal hygiene is a top priority!

Sneeze or cough into your elbow!

Wear your mask!

Remember, your mask is not a replacement for physical distancing!

Avoid clustering!

Only join groups when your presence is truly required!

Standby time is outdoor time!

Smile with your eyes!

Stay friendly while maintaining distance!

Keep the room well-ventilated!

**Work at a distance
whenever possible!**

Don't share tools!

Personalize tools and resources as
much as possible to individuals!

**Seating for physical
distancing!**

**Disinfect
before sharing!**

Use disinfectant to clean tools,
props, etc., BEFORE handing them
to another person!

**Use professional
cleaners!**

Work spaces and sanitary facilities must be
cleaned regularly by professional crews!

Disinfect surfaces!

Regularly clean or disinfect common
work surfaces and contact points!

**Avoid contamination
from open food!**

**Ensure your PPE is
disposed correctly!**
